

Update

Case # File 180 507 4308

Last Friday I sent out a crime alert which featured the above case number and associated photo related to a theft from Mobil Greenlane.

Police have since spoken to this individual pictured and can confirm that a misunderstanding between the subject and Mobil lead to the initial complaint

Could the resident who posted last week's alert on Neighbourly please remove this post from that web site.

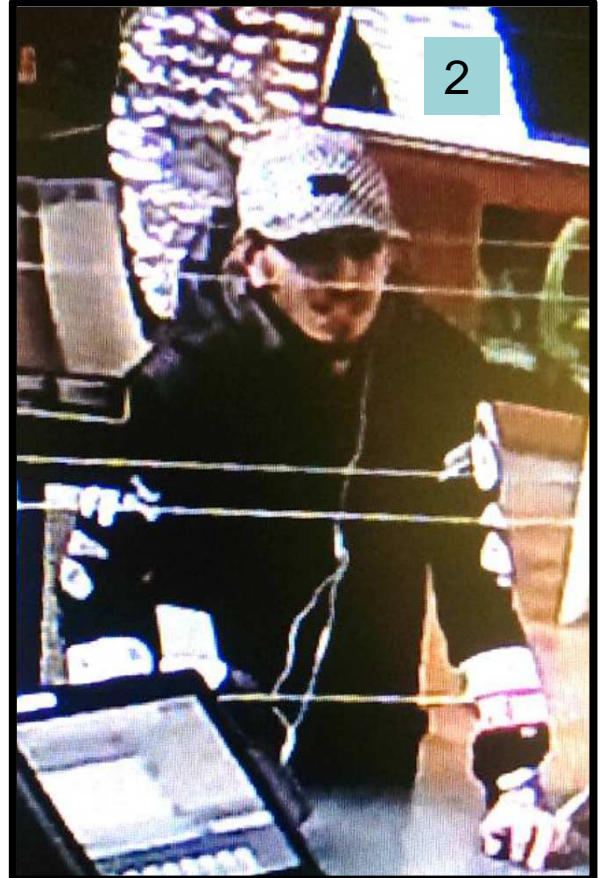

Thank you
